

Help your people **grow, stay and thrive.**

Lumina is a customisable staff programme that combines short courses, team competitions, rewards and wellbeing, with KPIs reviewed every week.

Corporate

Retail and banking

ICT

Online or blended

What your programme can include

● Ready-made or custom

Take our 12-week programme, or tell us your challenges and budget and we design one for you.

● Competitions and rewards

Uber and Takealot vouchers, fuel cards, gadgets, electronics and certificates.

● Your brand, your domain

The platform can carry your company branding and web address.

● Courses that matter

Induction, discipline, wellbeing, AI and new skills from certified specialists, or your own courses.

● Weekly KPI reviews

We agree KPIs at the start and review them with you every week.

● Flexible plans

Monthly, quarterly or annual, sized to your team and budget.

How to get started

1

Talk to us

A 30-minute meeting about your team and goals.

2

Get a proposal

We send a tailored proposal, or reply to your brief, within three working days.

3

Launch

We set up the platform and run a kickoff with your team.

Book a meeting or send us a brief.
